

Draw your weapon!

(No Drawing Necessary)

Design custom arms, armor, and equipment for your campaign. It's as easy as a few taps to bring your ideas to life!

Instant Armory gives you the power to create a piece of equipment by choosing its individual parts. You can pick a blade, crossguard, handle, and enchantment to build a sword, or a bottle and stopper to bag a potion. After that, each piece can be colored however you see fit.

Choose from dozens of hand-drawn pieces to build loot perfect for your campaign.
